THE PEACE OF MIND YOU DESERVE

Lettings management is many things, but the key for any landlord is knowing their money is accounted for.

- ✓ PayProp plugs into the UK banking system. The numbers on your statements are not typed into our system but come directly and automatically from the bank.
- ✓ Comprehensive transaction reporting for landlords – the complete transparency this gives you is a cornerstone of our business.
- ✓ Balances can be viewed live across tenancy deposits, the Property account, and rent. This ensures tenant and landlord monies are safe and funds are available for repairs.
- ✓ Actions are logged for every user. Every click our team makes on the system is date-stamped and recorded.

“WITH THE OLD SYSTEM WE USED TO PAY OUR LANDLORDS ONCE A MONTH. NOW, IF THE TENANT PAYS ON THE 1ST, THE LANDLORD IS SIMPLY PAID WHEN THE RENT COMES IN, AUTOMATICALLY.”

Ellie Bell-Jenks
